A CREAMY FOOD

Scott's Emulsion is cod
liver oil prepared as a food—
not a food like bread or meat,
but more like cream; in fact,
it is the cream of cod liver
oil. At the same time it is a
blood-maker, a nerve tonic
and a flesh-builder. But
principally it is food for tired
and weak digestions, for all
who are fat-starved and thin.
It is pleasant to take; children
like it and ask for more.

We'll send you a sample, free.

and plans of the Rapid transit com-
mittee today says the Herald that his
company is willing to bid for all of
the more important of the new routes
agreed to by the commission and

been very ill with pneumonia, under
the care of two doctors, but was getting
no better, when I began to take Dr.
King's New Discovery. The first dose
gave relief, and one bottle cured me."

colds. Guaranteed, at all drug stores.

result of two shots in the head, self-

to have been intensified recently by
differences with Rosita Mauri, the

whom he was closely associated.

THE REAL TEST

Of Herpicide Is in Giving It a Thor-
ough Trial.

There is only one test by which to
judge of the efficiency of any article
and that is by its ability to do that
which it is intended to do. Many hair
vigorators may look nice and smell nice,
but the point is—do they eradicate Dan-
druft and stop falling hair?

No, they do not, but Herpicide does,
because it goes to the root of the evil
and kills the germ that attacks the
papilla from whence the hair gets its
life.

Letters from prominent people every-
where are daily proving that Newbro's
Herpicide stands the "test of use."

It is a delightful dressing, clear, pure
and free from oil or grease.
Sold by leading druggists. Send 10c. in
stamps for sample to The Herpicide Co.,
Detroit, Mich.
